The competitive advantage for accounting firm leaders since 1987

IPA PRESENTS THE 2010 MOST RECOMMENDED CONSULTANTS

Each year, IPA names the **TOP 10 MOST RECOMMENDED CONSULTANTS** to the profession. Each year, IPA asks all survey participants to name up to three “consultants they would recommend”. Consultants are listed in alphabetical order. These individuals received a statistically significant share of the responses in the 2010 IPA Annual Survey and Analysis of firms. IPA congratulates all the consultants on the list, and all those consultants whose hard work and dedication is a credit to the profession.
